

American Legion Post 1819

Northfield Common Cleanup Service Project

On Sunday April 24, 2022, American Legion Post 1819 coordinated a service project of cleaning up the Northfield common and with 30+ AFROTC cadets joining, it went very well. We accomplished more than anticipated and the Common looks great.

- 30+ AFROTC Cadets, 2 AFROTC instructors and Col Mark Ciero (Detachment Commander)
- About 10 participants also assisted with stocking stuffing in November
- Participating seniors were 6 days prior to commencement & commissioning
- The Northfield Town Manager made water and power available
- Power washed the main monument, fountain, and surrounding bricks
- Raked leaves and debris from entire common and disposed of all 12-15 bags
- Picked up trash in entire area (common, road & sidewalks) up to surrounding storefronts
