Col Brett Nelson '89, USAF (Ret.)  
Post Commander, American Legion Post 1819  
17 Granite Ln  
Chester, NH 03036-4349

Dear Colonel Nelson,

Thank you, and American Legion Post 1819, for your steady support of this year's Legacy March and for working closely with Mr. Schaal to help make our first day a success. Post 1819's commitment to our annual Legacy March brings real strength to this tradition.

All fifty-two cadets stepping off successfully completed the 50-mile march feeling pride in their accomplishment for such a worthy cause. We raised \$3,000 for The Veterans Place in Northfield, a short-term transitional housing for veterans. I presented a ceremonial check to its director during our Corps of Cadets Veterans Day Observance on November 7.

Your support ensures that we begin the march grounded in fellowship, history, and shared purpose, a foundation that carries us through all fifty miles.

We are grateful for all you have done this year and in years past. Happy Holidays!

Very respectfully,

*Jackson Wildinger*
